Department Order # 1

Series 2016-2017

(To be read in the camps and retained in Camp files)

1. The brothers of the Department have chosen to allow history to happen, and so I am now the Department Commander. I am proud to be the third generation of my family to be elected to this role of leadership and honor. I will serve to the best of my abilities and know that I am only as good as the officers that serve with me. A generous Thank You goes to the immediate Past Department Commander, Douglas P. McMillin, who has dealt with many issues in the Department, both good and bad and has left the Department in a good state of affairs for me to slide into the role vacated by him.
2. Headquarters of the Pennsylvania Department, Sons of Union Veterans of the Civil War is hereby established at 1126 Hanover Road York, PA 17408. The headquarters telephone number is (717) 324-9449. Emails will reach me at [jsfrantz84@comcast.net](mailto:jsfrantz84@comcast.net).
3. Congratulations are extended to Sister Susan Mertz on her election to the office of Department President of the Auxiliary to the Sons of Union Veterans of the Civil War.
4. Likewise, congratulations are extended to Sister Deborah Schiesser on her election to the office of Department President of the Daughters of Union veterans of the Civil War.
5. My warm wishes and congratulations to the Pennsylvania leadership of the Ladies of the Grand Army of the Republic and the Women's Relief.
6. The site committee for 2016 has done an excellent job in the deployment of the Department Encampment at the Tofrees Resort in State College given the circumstances surrounding the unfortunate fire on the premises less than a week before our occupation. I extend my personal gratitude to the committee and all that attended in making it a success.

7. Congratulations to the following list of elected and appointed officers. A noticeable thing in the list is the small amount of overall changes to the Department officer appointments. The Department has brothers that are very good at what they do, so I will keep them in the roles they serve best until such a time as they chose not to serve or wish to move on to something bigger and better for the greater good of the Department. In the case of committees, the first person listed is designated as the Chairmen.
